## THE BARRY FARM STREETS

The Commissioners to Declare the Roadways Public Property.

Dr. F. J. Shadd Complains of Unjust Taxation of Property Owned by Him in a Subdivision—The Opinion of Assessor Darnelle Concurred In. The Dedication of a Thoroughfare.

Dr. F. J. Shadd recently communicated the fact to the District Commissioners that he was assessed for 16.5 feet of land formerly a part of lot 63, section 8, of the Barry Farm subdivision, but now consisting of one-half of the highway passing said lot. In his letter, Dr. Shadd stated that it is an injustice to tax him for half of the bed of the street, and it would be wrong for him to build upon the land in question and close up the street.

In view of the circumstances, Dr. Shadd suggested to the Commissioners that they condemn all portions of ground included in the streets and avenues of Barry Farm subdivision in accordance with the plans of Carpenter and others.

The communication having been referred to the District Assessor, Mr. Darnelle reported that the transfer of property in the sub-division, with a few exceptions, go to the middle of the street, and if the owners should choose to avail themselves of the limits of their deeds it would have the effect of closing the street.

Mr. Darnelle further stated that the sub-division of Barry Farm was made by trustees for refugees and abandoned lands in 1867. "While the recorded plat shows streets and avenues," the Assessor said, "there appears to be no formal dedication of the same. The office is not aware of any instance where the owners have availed themselves of the provisions of their deeds by extending their lines to take in the middle of the streets, but the taxes are charged to include the same."

In view of the fact that the streets in Barry Farm sub-division had been recognized as public for forty-three years, Mr. Darnelle recommended to the Commissioners that the Assessor be authorized to declare all streets and avenues in said sub-division public thoroughfares and not to be listed for taxation.

The Commissioners have approved the suggestion of Dr. Shadd and have determined to proceed to the legal dedication of the roadways in the Barry Farm sub-division.

HELD FOR THE GRAND JURY.

Tillman Dorsey Charged With False Pretenses.

Tillman, alias "Major" Dorsey, the colored man arrested several days ago by Detective Lacy, charged with obtaining money under false pretences, was today arraigned before Judge Kimball and held in \$1,000 bond for the action of the grand jury.

The complainants against Dorsey were Rev. W. H. Snowden, pastor of Zion A. M. E. Church; George W. Cane, Mollie Cane, and James Thompson. It was alleged that Dorsey obtained sums of money from Cane, Thompson, and Mrs. Marshall on the alleged false representation that the money was to be turned over to Rev. Snowden to be used in liquidating a mortgage of \$7,000 on Zion Church.

The collection of such money, it is said, was made by Dorsey and his associates. It is understood that Dorsey had been carrying on his alleged fraudulent transactions for several weeks, when arrested.

Dorsey was taken into custody from Commissioner Wright, James L. Norris, and man other prominent persons, to say nothing of smaller amounts, which have been collected from many poor persons.

According to the police, Dorsey obtained in all, about \$400.
